### TRIP DETAILS & HIGHLIGHTS

Futangue is a reserve of impressive scenic beauty, covered by large temperate forests and imposing mountains. The interior of its valleys hides beautiful lagoons, rivers and waterfalls, as well as spectacular lava fields. This extreme and remote land, impenetrable until a few years ago, today boasts an extensive network of carefully designed trails, inviting visitors to explore pristine nature.

Nestled in the northern part of the Nahuel Huapi National Park, and surrounded by lakes, forests and mountains, it is considered to be one of the most beautiful locations in the mountainous part of Patagonia. (nickname Garden of Patagonia)

Just located a couple of kilometers away from the border with Chile, easy to combine through a beautiful crossing through the Andes Mountains.
